The Ohio Republican State Central & Executive Committee meeting was held on Friday, April 21, 2017, in Columbus.

We were honored to have the RNC Co-Chair Bob Paduchik at our meeting to give us an update on what is happening in Washington. He introduced Garrett Arnold, his Special Project Adviser.

Attorney General Mike Dewine talked about the drug epidemic here in Ohio. He encouraged everyone to talk to schools in their district to make sure they are covering drug prevention programs.

Clarence Mingo, Franklin County Auditor spoke to the committee. Clarence is running in 2018 for Ohio Treasurer.

We are pleased to have seated Gary Click for a vacancy in District 26. Chairman Timken swore him in. We are looking forward to working with Gary.

The ORP will be working hard to see how we can help the local parties accomplish their goals, training on voter contact and data technologies, as we look ahead to the 2017 and 2018 Elections. We will be setting up meetings with the county chairs. To better serve the local party leadership, we have divided the state into regions. The map splits the state into 8 regions for these meetings. Our first meeting will be held in Columbus the day of the ORP State Dinner. While the date for the State Dinner is still to be determined, all our County Chairs, as well as State Central Committee Members, will be invited for a meeting to discuss the direction of the party.

To make this easier to attend for County Chairs, the second set of meetings will be held on a regional basis. This meeting will be more specific to each region and drill down into the needs of the counties for any upcoming municipal elections the counties have targeted.

Chairman Jane Timkin has worked tirelessly since she took office in January. She has put over 90,000 miles on her car crisscrossing Ohio to meet you. She has done numerous meetings with individuals, clubs and organizations, plus 15 Lincoln Day Dinners and 10 more scheduled. The Ohio Republican Party is in a strong financial position. The ORP staff and leadership are all striving to have a strong working relationship with the county parties and Ohio Republicans!
